

Our Vision: To improve patient experiences and outcomes by connecting cancer care and driving best practice

Improve equity of access to high quality cancer care

- Improve adoption of quality cancer care closer to home
- Increase alignment with the Multidisciplinary Meeting Quality Framework
- Address the needs of the older person in routine cancer care

Support the effective implementation of the Optimal Care Pathways (OCPs)

- Implement the Aboriginal and Torres Strait Islander OCP
- Address variation in quality and timeliness of cancer care
- Monitor and communicate alignment with OCPs

Improve well-being and support for all Victorians affected by cancer

- Facilitate high quality supportive and survivorship care
- Address variation in palliative care referrals and advance care planning
