Diagnosed with Prostate Cancer?

Need to chat with someone, or want more information? Help is only a phone call away.

Prostate Cancer Foundation Australia

Speak to a prostate cancer nurse in person**, or over the phone. Link up with 'Mates Connect' to speak over the phone with someone who has been in a similar position. Or connect with a Prostate Support Group to meet up with others with a prostate cancer experience.

1800 220 099

Cancer Council Victoria

Cancer Council's nurses can help you and your loved ones find the right support when you need it most. Access financial counselling, connect with a trained volunteer who has had a similar cancer experience, find a support group near you and much more.
